What are your beliefs concerning selective reduction or aborting a fetus due to an anomaly(s) (birth defect)?

I'm very pro-life personally.

How do you feel about the possibility of any remaining embryos being donated to another infertile couple that cannot afford the cost of infertility treatment? Will you sign a consent permitting such donation?

I don't mind and am willing to sign a consent form.

How do you feel about any remaining embryos being discarded or donated to scientific research? Will you sign a consent permitting such medical or scientific research or destruction of such remaining embryos?

I don't mind and am willing to sign a consent form.

Some clinics have their Prospective Parents sign away rights to any leftover embryos to be used at the clinic's discretion, how do you feel about not knowing the outcome of their decision?

I would prefer to know what happens to anything with my DNA.

What are your thoughts on the possibility of this couple using a gestational carrier (surrogate) or a qualified sperm donor?

I don't mind at all.

Is there a message you would like to leave for your prospective parents? Thank you for choosing me! I hope my gift will be used to bring you great joy. I can only imagine what your going through but I promise to uphold my side of this arrangement on your behalf. Good luck!

Please read the list of medical problems carefully and indicate your answer in the appropriate box. Remember, this is the only information that your intended parents have to make a healthy and intuitive choice for their offspring.
