Did you have any problems as a teenager (e.g., health, acne, social, educational, etc.)? I was a little shy as a teen. That was about it. I have definitely become more outgoing as an adult. I never got into trouble, never really dated a lot. I was always more into my horses.

I am not too comfortable with that.

How do you feel about any remaining embryos being discarded or donated to scientific research? Will you sign a consent permitting such medical or scientific research or destruction of such remaining embryos?

I am OK with that.

That is fine with me.
